

## 2024 Washington State EMS Evaluator Courses – Initial/Refresher

**Please note that you must pre-register to attend one of these courses.**

If you wish to become a Washington State EMS Evaluator, the prerequisite is you must be certified at the EMT level or higher for at least 1 certification period (3 years) or longer.

If you are currently a Washington State EMS Evaluator, you must attend **one** refresher course during your **certification period**. If you are not sure if you have attended one refresher, please email [diane.koch@co.yakima.wa.us](mailto:diane.koch@co.yakima.wa.us) for confirmation.

Please note that **YOU MUST** attend a Washington State EMS Evaluator Refresher Workshop to keep your current EMS Evaluator status. EMS Evaluator status will be renewed when you recertify as an EMS provider, and your status will be confirmed at that time. *If you do not attend one of our courses, please provide proof to the EMS Office when you complete your Refresher Workshop.*
