Per the MPD, starting with January 2024, all **paramedics** are required to attend 2 MPD lectures **LIVE**.

The options for attending a live lecture are as follows:

- Attend the lecture at the Yakima County Department of Emergency Medical Services (2403 S. 18th Street, Union Gap) in the classrooms.
This will count whether Dr. Hodges is here in person, or we are watching the lecture via Zoom. If you are attending in the EMS Office classrooms, you will be required to sign in for each hour and must attend all 3 hours in order for this to count.
- Attend the lecture via Zoom, while on duty at your station/department.
- Attend the lecture at the designated location in the Tri-Cities. This information can be obtained by contacting Misty at mpdasst@gmail.com or by contacting Diane at diane.koch@co.yakima.wa.us (currently the location(s) have not been decided)

All **Advanced EMTs** are required to complete the MPD Quarterly lectures. You may attend **live**, via **Zoom** or on **Ninth Brain**.

All **EMTs w/IV Endorsement, EMTs and EMRs** are welcomed and encouraged to attend. These lectures can be used for additional training to keep up your National Registry certification. These classes **do not** take the place of OTEP, you must still complete all of your OTEP.
